I do not know what was the intention of the Govt in sanctioning the advance of Rs 200 to the Hospital Assistant for the purchase of the medicines

GH

Read:- Letter dated 13: March 1893 from the Dy Comr of the Myndpn District dated 13th idem stating with reference to this office Docket dated 28: January 1893 No 13324 that Mr Ambika Charan Pandit has better experience of valuing and estimating the price of the medicines; Order thereon.

It is observed that the indigenous hospital was not meant as a place for vending costly medicines to gentlemen. Any medicine purchased in connexion therewith must be used primarily in the hospital & with a distinction of gentlemen & commoners. There is however no objection to send spare quantities of medicines prepared for use in Hospital, to outsiders, with the approval of the Hospital asst entrusted with the supervision of medicines. On this understanding Govt are prepared to sanction the advance of 200 Rs on the submission by the Dy Comr of a detailed list of medicines purchased and their cost, countersigned by the Hospital assistant.

that the advance of Rs 200 was made to him from Provincial Funds and that he has been made responsible for the recoupment of the advance

It is clear from the correspondence that the advance was made not to meet the normal necessities of the hospital but for encouraging an independent undertaking by a subordinate Pundit to prepare and sell costly & specifics to gentlemen & to recoup the amount by the sale proceeds. This was not the object of the Hospital. It was not the object of Govt to allow the indigenous hospital It is evident that the medicines so sold could not be administered under the superintendence of the Hospital Asst. The Dy Comr's views should be taken upon this proposal for an extension of the functions of the Hospital which Govt contemplated.

Deputy Commissioner,
Mysore District.

To

The Chief Secretary to the Dewan of Mysore,

SIR,

I have the honor to state that Mr. A. Annia Pundit made an application to me for an advance of Rs. 200 for preparing certain valuable native medicines, such as pills, confections, oils &c to be sold in the Indigenous Hospital at Mysore to the public the advance being recouped from the sale proceeds. As the present monthly contingent grant of Rs. 30 for purchase of drugs for both the branches of the Hospital, will scarcely allow of any costly medicinal preparations being undertaken, and as I understand that this is the season in which the required drugs in a green state, are procurable, I have, subject to the sanction of Government, advanced the amount to Mr. A. Annia Pundit and solicit that my action

may be approved and the advance treated as permanent subject to recoupment.

2. Mr A. Annia Pundit's application is submitted, in original, for information and Kind return.

SIR,

With reference to your docket No. 13324/79.92 dated 2nd ultimo, regarding the payment of advance of Rs 200 to Mr. Ambla Annials Pundit for the preparation of certain valuable native medicines, I have the honor to state that the amount has been paid from the General funds to be eventually debited if necessary to the Municipal and District funds in the usual proportion of 1/3 and 2/3 respectively, on receipt of sanction from Government to the measure.

2. As regards making the principal Pundit of the Institution accountable for the advance, I beg to state that Mr Ambla Annials Pundit has a better experience of valuing and estimating the price of medicines and has been a Municipal Commissioner of the City for several years past, and as it is mainly at his suggestion valuable

medicines have been arranged to be prepared for the use of the public, he has been made responsible for the recoupment of the advance from time to time, subject to approval of Government.
